A photograph of a car window regulator assembly. The assembly consists of a metal frame with two rollers at the ends, a central motor unit, and two black cables. The motor unit is silver and black, with a green cable connected to it. The entire assembly is resting on a white surface that has the 'DESGUACES MELLI' logo and website address 'WWW.DESGUACESMELLI.COM' printed repeatedly. In the top left corner, there is a small black box with the text 'ANUNCIOTIC' and a small icon.

A photograph of a car window regulator assembly, likely for a Renault Clio. The assembly consists of a metal frame with two rollers at the ends, a central motor unit, and two black cables. The motor unit has a yellow label with 'DESGUACES MELLI' and 'WWW.DESGUACESMELLI.COM'. The entire assembly is placed on a cardboard box with the same branding. A small white label with 'DESGUACES MELLI' is also visible on the motor unit.
