A close-up photograph of a metal casting, likely a cylinder head, showing a grid of 12 squares and various markings. The grid is located in the upper right quadrant. Below the grid, there is a series of markings: a circular logo with 'M5', the number '5.1', a circular logo with '10', a sun-like symbol, the number '96', the number '370', the number '938', and the number '10'. The casting is heavily corroded and stained, particularly around the grid and the markings. A yellow marker is visible on the left side of the casting. The background is dark and out of focus.
